

2009 In Review

In 2009, we picked up more than 1000 bags of trash, reached more than 1000 people and restored a 40 year old dock for public access. We sailed more than 60 people to Pleasure Beach and we're named Best Waterfront Improvement Project in New England. We'd like to thank the following organizations for making this past year a reality:

- The Cardinal Shehan Center, Bridgeport, CT
- The Fairfield County Community Foundation
- People's United Community Foundation
- Interlux Paint
- Aquarion Water Company
- Two Boots of Bridgeport
- Hudson River Community Sailing
- Captain's Cove
- Cedar Marina

And the 100's of dedicated members of our community who have worked so hard!

The 2010 Fall Junior Brochure

As a public access program, we are committed to providing everyone with an opportunity to learn about and enjoy our greatest natural resource. We believe all of our children and families deserve a right to reconnect with our maritime heritage and will continue to teach them the important life lessons that only sailing can offer.

**IN PARTNERSHIP WITH THE
CITY OF BRIDGEPORT**

Our Mission

The mission of Connecticut Community Boating, Inc. is to offer area residents affordable and fun access to Long Island Sound and its headwaters. We provide a physically and psychologically beneficial experience while keeping our student's safety and enjoyment as our first priority. We do this through a complete array of training programs that emphasize self-esteem building, good seamanship, teamwork, community consciousness, and environmental responsibility; while promoting good stewardship of our greatest natural resource.

Our Credentials

Connecticut Community Boating Inc. and its staff are licensed and certified by:

- The U.S. Coast Guard
- The U.S. Sailing Association
- The Department of Environmental Protection
- The New England Drug Alliance
- The Red Cross

To register please phone, mail or go to

The 2010 Fall Schedule

**NON-BRIDGEPORT RESIDENTS, PLEASE ADD \$50
FOR SEASONAL PARKING PASS**

The After School Maritime Explorers Program:

A daily program designed to teach your kids about the joys of sailing, boating and Long Island Sound while cracking the books in a safe, quiet and positive environment.

Kids ages 10-16 will sail small boats, big boats, build a wooden boat and create a saltwater aquarium with creatures collected from Long Island Sound and much much more. But we'll make sure they're homework is done first.

Our tutors will be on hand from 2-4PM Daily to help kids get they're homework done and then move on to our daily activities.

Location: The CCB Eco-Classroom
Starts Monday September 13 and runs weekly, 2PM to 6PM.

Cost: \$200/season

(Note: Camperships available for those who qualify)

**Location dependent upon weather, classes may be moved to
955 Connecticut Ave in time of inclement weather**

The SeaSquirts: A lifetime of sailing begins with that first day on the water and we believe a little structure, a lot of fun and a taste of salt air goes along way. Your son or daughter will prepare to join the Sea Scouts of America when they come of age with this precursor to the Boy Scouts of America Explorer Program. We'll model our weekly meetings after the traditions and customs that are more than 100 years old with an eye to enrolling your child in our home Sea Scout ship #101 when they turn 13.

Ages: 8-12 Meets Mondays 6-8PM.

Cost: \$100/season

(Note: Camperships available for those who qualify)

The Sea Scouts:

In Partnership with the Boy Scouts of America, Connecticut Community Boating is home to Ship 101, a division of the explorer program for boys and girls ages 13 and up. Your child will learn the traditions of sailing, seamanship, honor, character and being a good neighbor in the classic traditions of Scouting while learning leadership skills and preparing for life after highschool, including college and/or the military. We're very pleased to host Ship 101 this year and have a ton on our agenda for this year including obtaining safe boating certificates, preparing for 6-pack licenses, level 1 sailing certification, skiing, camping and more. Our weekly meetings take place Wednesdays from 7-9 and will run year round. For more information, please check with our staff and ship leaders.

The 2010 Learn to Swim Campaign

Every Thursday beginning September 9, we will be on hand at The Cardinal Shehan Center to instruct kids in the sport of swimming. If you can't float you can't boat at CCB, so every low-income child that learns to swim with CCB this winter will be provided free registration in the 2010 Junior Sailing Program to be held this summer. To register, call 203-382-3661 or log onto www.ctcommunityboating.org

Private Lessons:

We know you would love to join us every day, but its not always in the schedule.

With that in mind we can offer you and your family a private lesson aboard any boat you would like.

Perhaps your inclination is to get the kids into sailing as a family or maybe you just want to build your skills with a certified instructor?

We can set that up with you for a time that meets your busy schedule.

(Cost: Based upon Boat choice)

Scheduled in advance, please call for details.

(Note: Connecticut State Law mandates that anyone wishing to operate any motorized vessel or sailing vessel over 19 feet requires a Connecticut Safe Boating Certificate. Accordingly, please attach a copy of
